

PSREdit300 License Agreement

By downloading and running this software, you agree to the following:

- Use of PSREdit300 is done at your own risk. While the author does not anticipate that the PSREdit300 will do any damage to your computer or files, there is always the chance that a rare occurrence could do so.
- The software will be scanned for all known viruses with up-to-date virus definitions before release. The software author will not be held responsible for any unforeseen instances of this type.
- PSREdit300 is a copyrighted work. The software author retains all ownership and rights to the software.
- PSREdit300 allows you a 30 day free trial of the software, starting the first time the program is started. Please be sure to use this time to be sure that PSREdit300 does what you want it to do. At the end of the 30 day trial, you must either purchase a license for the software to continue using it, or remove the software from your computer.
- Should you decide to purchase a license key for PSREdit300, your license key will be valid for all future versions of PSREdit300. All future upgrades to the software will work without additional cost.
- If you lose your key, a replacement may be obtained by visiting the PSREdit web site and selecting the lost key option. Enter the email address you used to register the software and your license key will be sent to that email address. If you no longer have access to that email address, contact support@psredit.com for assistance.
- Your purchased license allows you to install the software on up to two computers as long as they are both owned by you and you are the only person that will use the software on those computers. (i.e. You own a desktop computer and a laptop computer and want to use the software on both). Any other use is prohibited.
